

Postbaccalaureate Alumni
NIDA Intramural Research Program

Klil Babin kbabin17@gmail.com

2012-14, Molecular Mechanisms of Behavior Unit

Currently: medical school, Rosalind Franklin University

Carl Broker carlbroker@gmail.com

2012-14, Neurocircuitry of Motivation Section

Currently: premed postbac, University of Rochester

Omar Bukhari m71@umbc.edu

2013-14, Medicinal Chemistry Section

Currently: Kentucky College of Osteopathic Medicine

Caitlin Burzynski burzynskicm@gmail.com

2012-14, Medicinal Chemistry Section

Currently: medical school, University of Rochester

Ignacio Cerdeña

2012-14, Treatment Section

Currently: medical school, Yale University

Mary Fakunle mfakunle@gmail.com

2012-14, Nicotine Psychopharmacology and Treatment Sections

Currently: medical school, New Jersey Medical School

Stephanie Goddard stephanieagoddard@gmail.com

2012-14, Synaptic Plasticity Section

Currently: medical school, Tulane University

Ajay Kailas ak748@cornell.edu

2013-14, Structural Biology Unit

Currently: medical school, University of Central Florida

Drew Kesner andrew.kesner@nih.gov

2012-14, Neurobiology of Motivation Section

Currently: doctoral program in cellular biology, Johns Hopkins University

Albert Kim albert_h.s_kim@hotmail.com

2013-14, Neurobiology of Relapse Section

Currently: master's program in biology, Wake Forest University

Abigail Kindberg akindberg01@gmail.com

2012-14, Development & Plasticity Section

Currently: doctoral program in biomedical science, UC San Francisco

Zofia Klosowska zklow48@gmail.com

2012-14, Treatment Section

Currently: premed postbac, University of Virginia

Kurt Lehner

2012-14, Medicinal Chemistry Section

Currently: medical school, Hofstra University

Mike Pokrass mpokrass@gmail.com

2013-14, Cellular Pathobiology Section

Currently: Fulbright Scholarship, Max Delbrück Center for Molecular Medicine, Berlin

Catherine Schweppe caschweppe@ucla.edu

2012-14, Medicinal Chemistry Section

Currently: doctoral program in neuroscience, UCLA

Robyn St. Laurent st.laurent.robyn@gmail.com

2012-14, Neurobiology of Relapse Section

Currently: doctoral program in neuroscience, Brown University

Moxi Zhou moxizhou@gmail.com

2012-14, Neuroimaging Branch

Currently: Hack Reactor, software development

Mary Rabei rana.rabei@gmail.com

2012-13, Neurobiology of Relapse Section

Currently: doctoral program in biomedical science, University of Chicago

Veronica Zamora Olivencia v.zamora.olivencia@gmail.com

2012-13, Behavioral Neuroscience Section

Currently: medical school, Ponce University

Katie Baldwin k.baldwin000@gmail.com

2011-13, Structural Biology Unit

Currently: doctoral program in public health, Rutgers University

Catherine Demers catherine.h.demers@gmail.com

2011-13, Neuroimaging Branch

Currently: doctoral program in clinical psychology, Washington University

Maleeha Haroon maleeha.haroon@gmail.com

2011-13, Nicotine Psychopharmacology Section

Currently: doctoral program in clinical psychology, University of North Carolina

Sarita Kambhampati sarita.kambhampati@gmail.com

2011-13, Neurobiology of Relapse Section
Currently: medical school, St. George's University

Alex Kawa abkawa1@gmail.com
2011-13, Neurobiology of Relapse Section
Currently: doctoral program in psychobiology, University of Michigan

Jessica Lopez jplopz@gmail.com
2011-13, Psychobiology Section
Currently: doctoral program in public health, Drexel University

Stephanie Myal stephanie.myal@yahoo.com
2011-13, Behavioral Neuroscience and Neurobiology of Relapse Sections
Currently: MD/PhD program, University of Pittsburgh

Ray Rogers rayshardrogers@gmail.com
2011-13, Glia-Neuron Interactions Unit
Currently: business classes, Georgetown University

Fabienne Saint-Preux fspreux@gmail.com
2011-13, Molecular Neuropsychiatry Section
Currently: medical school, St. Louis University

Raphael Bendriem rbendriem@gmail.com
2010-12, Development and Plasticity Section
Currently: doctoral program in neuroscience, Weill Cornell Medical College

Allison Carroll allisonjanecarroll@gmail.com
2010-12, Neuroimaging Branch
Currently: doctoral program in clinical psychology, Northwestern University

Kristine Keller kristinelkeller@gmail.com
2010-12, Neurocircuitry of Motivation Section
Currently: pharmacy school, University of Maryland

Kristen Mackowick kristen.mackowick@gmail.com
2010-12, Nicotine Psychopharmacology Section
Currently: doctoral program in medical science, University of Toronto

Cynthia Quintero cyq2001@med.cornell.edu
2010-12, Molecular Neuropsychiatry Section
Currently: doctoral program in pharmacology, Weill Cornell Medical College

David Reiner david.reiner811@gmail.com
2010-12, Neural Protection and Regeneration Section
Currently: doctoral program in neuroscience, University of Pennsylvania

Becky Rutledge rprutledge@gmail.com

2010-12, Medicinal Chemistry Section

Currently: doctoral program in epidemiology, Emory University
